Terms and conditions mentioned overleaf shall be followed by the firm –

Terms and conditions:

- 1.** On completion of performance assessment field trial, if deficiencies are noted, extended field trial of equipment can be under taken with approval of Directorate Head, based on its past performance. The time period and extended number of quantities for field trial shall be decided in consultation with Directorate Head.
- 2.** After successful initial trial and performance assessment of item/equipment given as - maximum permitted quantity of 25 nos. & minimum equipment month to be observed for assessment : 75, in case the result of field trial is not satisfactory investigation shall be done jointly by Signal/QA/S&T Directorate/RDSO/LKO and firm's representative to find the improvements required. An investigation report shall be prepared and intimated to firm to modify the design/ design parameter/circuits etc. The firm shall carry out necessary improvements in design in time period given by RDSO. The process of improvement shall continue till satisfactory performance is achieved to the satisfaction of RDSO.
- 3.** While approving a vendor for field trial suitable instruction to ensure that the total ordered quantity does not exceed the permitted quantity for the vendor, following shall be ensured by the vendor and purchasing authority.
 - I.** The purchasing authority shall ensure that just before placing the order on a firm approved for field trial details about the total supplied quantity and orders in hand are taken from the firm. It shall be ensured by purchasing authority that the order should be restricted such that the total quantity ordered on the firm (Collectively by all railways) does not exceed the total field trial quantity permitted by RDSO.
 - II.** The firm shall also ensure that they do not secure total order quantity more than the quantity permitted for field trial. An undertaking shall also be taken by the purchasing authority from the firm before placing the order on the firm that if it is observed that the firm has taken order for more than total quantity than permitted for field trial for the firm, the order shall be treated as cancelled. This shall also be made a condition of the purchase order.
 - III.** The inspecting authority of RDSO shall ensure before each inspection that the total inspected quantity does not exceed the permitted quantity on field trial.
 - IV.** An undertaking shall be taken from the firm by the RDSO at the time of granting approval for field trial that under no circumstances, the firm would take order more than the quantity permitted by RDSO else the firm would be liable for penal action. The firm shall submit the undertaking within 15 days from issue of this letter.
